

Marina Notice 2024

New small boat (Kayak, Canoe, etc.) racks are being built for the marina. Beginning in 2024, racks will be assigned to members. Anyone wishing to have an assigned rack space will need to have an LAE sticker on their boat. No boats shall be left at the marina that do not have an LAE sticker.

There will no longer be off-season storage at the marina. All boats must be removed from the racks by Columbus Day. Any boats left at the marina after that date will be considered abandoned and will be disposed of. Marina Committee members will attempt to contact owners prior to disposing of boats. Racks will become available each year at the ice out date.

The LAE Registration decals are distributed by LAE volunteers. Please contact Bob Wright at bobthebuilder@gsinet.net or Jim Stumpf at 88stumpy@gmail.com for decals.
